

My name is Amber Branson. I am the Athletic Director and girl's basketball coach at Lipan High School. We are a class 2A school in Texas. We are looking, along with our boy's team, to play in the 26-27 season in Knightstown, IN at the Hoosier gym. They open the availability in January, and would like for us to have an opponent already when making reservations. I was wondering if you would be able to put me in contact with some coaches in Indiana, whom you might think would like to meet us and play next season? Any help would be greatly appreciated.

Thank you,
Amber Branson
