### Boys' Varsity Basketball Head Coach Opening

Danville Community High School is seeking a qualified and enthusiastic leader to serve as the Varsity Boys Basketball Head Coach.

This is an exciting opportunity for our program as we look to continue building on the success and strong tradition of Danville basketball. The successful candidate will lead a respected and competitive program while positively impacting student-athletes and contributing to the culture of Danville Community High School.

Danville Community High School competes in IHSAA Class 3A basketball with a current enrollment of approximately 900 students.
