Job Description:

Prairie Heights High School is seeking applicants for the position of Boys Varsity Basketball Head Coach.

Prairie Heights is a proud IHSAA Class 2A program competing in Sectional #35. The Panthers are coming off a successful 13-11 season and return a talented group of players. Prairie Heights also has a strong youth basketball program with promising talent, providing a strong foundation for the future of Panther basketball.

The Head Boys Basketball Coach will oversee all aspects of the boys' basketball program in accordance with IHSAA and NECC rules and regulations. While serving as the varsity head coach, the successful candidate must also be committed to building continuity and development throughout all levels of the program, including youth, junior high, junior varsity, and varsity basketball...as well as being grounded in fundamental basketball, values hard work, and is committed to building a disciplined, competitive, and purpose-driven culture centered on relationships, character development, accountability, teamwork, and player growth. The ideal candidate will understand the important role interscholastic athletics play in the overall educational experience and will work to create a structured, developmentally appropriate, and increasingly competitive program from youth through varsity levels.

The Head Coach will be expected to exemplify strong moral character, leadership, sportsmanship, and professionalism while serving as a positive role model for student-athletes. Candidates should demonstrate passion, humility, integrity, and a commitment to aligning with the culture and expectations of the Prairie Heights Athletic Department.

In addition to the coaching opening, PHCSC anticipates the following teaching openings for 2026-27:

- Elementary Physical Education
- High School Special Education

This is an outstanding opportunity for a motivated leader to invest in a supportive school community and continue the growth of a program with a strong foundation and bright future.

Requirements:

Required qualifications include successful basketball coaching/playing experience, effective interpersonal and communication skills, and a strong desire to lead a corporation wide basketball program while creating a culture of success.
