

Position Title: Varsity Boys Basketball Head Coach

Duties Include:

- Preparing the varsity team to be competitive at the varsity level. This would include the preparation of team and individual scouting reports.
- Developing individual player skills and incorporating them into the competitive team concept.
- Establishing both short and long term goals for the boy's basketball program that includes player and coaches development at the high school, junior high, and elementary levels.
- Maintaining and communicating team and player accomplishments/statistics with both local and state media outlets.
- Promoting the basketball program by running off-season camps/clinics for future Raiders.

Preferred Skills:

- Coaching experience at the high school level.
- Communication skills needed to convey expectations with players and parents.
- Collaboratively working with the school administration to ensure that student athletes are well represented on the court and in the community.

Education/Training:

- Candidates with a teaching license are preferred, but a teaching license is not required.
- Current teaching vacancies for the 2024-2025 school year include: junior high science, junior high/high school art, and special education.
- All athletic safety training courses required by the State of Indiana and IHSAA must be completed before beginning to work with athletes.

Application Process:

Interested candidates should go to the Southern Wells Community Schools web-site and select *Employment Opportunities*, complete the *Classified Application*, and a *Certified Application* if interested in one of the posted teaching vacancies.
