

INDIANA JUNIOR ALL-STARS

The Junior All-Star program was founded in 1996 under the direction of former All-Star games director Patrick Aikman. Players listed as "core group" typically played in all games for the given year. Players listed as "north," "central" or "south" typically played in one game. The "north" and "south" groups each played in two games in 2012, 2013 and 2014 – one against the Indiana Seniors and one against the Kentucky Juniors. In 2018, 2019, 2022 and 2023, the "north or red," "central or white" and "south or blue" groups each played in one game. No games were played in 2020 because of the COVID-19 pandemic. In 2021, all Junior All-Stars only played in one game against the Indiana Seniors.

Here is a list of players and coaches who have been a part of the Indiana Junior All-Stars from 1996 through 2023.
